

# Knowledge Skills Training at UHCW Library

## 2021: Our year in numbers

# 11,370

Since January 2021, we've delivered over 11,370 minutes of information skills training, on topics such as literature searching & critical appraisal.

# 4.7

On average, our training attendees rated our learning materials and resources at a fantastic 4.7 out of 5.\*

\*where 1 = Poor and 5 = Excellent

# 37%

This year, over 37% of our 1:1 bookings came from Nursing and Midwifery staff at UHCW.

The next largest attendance for training came from our Allied Health colleagues, who made up 13% of our appointments.

# 45%

Our users were keen to brush up on their search skills this year, with 45% booking on to one of our core database searching sessions.

*And finally...*

### ***Our favourite feedback***

“[Beth’s help] has been a complete game changer for me.”

“Beth was able to tailor the training to my individual needs and experience and was excellent at explaining how the search structure worked.”
